ORDER MODIFYING CONDITIONS OF PRETRIAL RELEASE

Having considered Mr. Williams' unopposed request to modify conditions of release in the above-referenced case, and understanding that the Government and Pretrial Services do not object to this request, it is this 24th day of January 2013, hereby ORDERED:

- 1) Mr. Williams is permitted to travel out-of-state with his mother for performances of her play as long as he first obtains the advanced approval of Pretrial Services and he travels by car; and
- 2) That all other conditions of release ordered December 19 and 20, 2012, that are not inconsistent with this order remain in effect.
